"* By typing my name in the signature block on this check, I <#purchaser_firstname> <#purchaser_lastname> authorize this specific <#EDI_or_Check> transaction, check number <#check_no>, as payment to the named payee, , for the purchase herein described. I authorize this payment to be debited to my checking account number <#bank_account_NO> at <#bank_name> in the amount of \$<#check_amount>. I herein authorize payee to process this transaction in the absence of my actual signature. I authorize that my drivers license number <#drivers_license_state> <#drivers_license_no>, my e-mail address <#purchaser_email> and IP address <#purchaser_ip_address> may be recorded with this transaction for identification purposes. If this payment is returned by my bank due to my improper maintenance of this bank account, I then agree to the processing charge of \$25 or the maximum allowable amount by law. I understand that I will receive an e-mail verification of this transaction notifying me that my account has been charged for this transaction which I have authorized. I will retain my original check as record of this transaction. This transaction will be governed by the state of California."
